(In the space provided below, please explain in detail the reasons for the delay in filing a proper reply)

Applicant received a Notice of Missing Parts dated 1/15/01. Applicant timely responded to this Request, and enclosed the requested documentation (Declaration and Power of Attorney) on 2/1/01. Enclosed is a copy of the Response and return postcard that was received by the USPTO on 2/5/01.

Applicant requests that this case be revived due to the fact that the papers were timely received by the USPTO and not placed in the USPTO's file. Therefore, this application should not be abandoned.

Applicant notes that the PAIR system does not show receipt of the following papers by the PTO:

- \*\* Letter to Official Draftsman with formal drawings filed on 2/13/02.
- \*\* Supplemental Information Disclosure Statement filed on 4/30/02.

Applicant requests that a search be done to locate these papers and place them in the USPTO's file.

Applicant requests that the Petition to Revive fee be refunded since this was a PTO error.
